eGeeTouch® LOTO Smart Lockout Tagout Padlock Revolutionizing Safety with Smart Access

The eGeeTouch® Smart LOTO Padlock offers advanced safety solutions with Unique Directional Code or Bluetooth access via the eGeeTouch® apps (Free, Commercial, and LOTO). Whether you're transitioning to digital or maintaining existing processes, eGeeTouch® ensures efficient field safety management.

- **OSHA Compliant** : Meets industry safety standards for lockout/tagout procedures.
- **Easy Access** : Unlock quickly with a NFC Tag or Bluetooth. Outdoor Resistance: Waterproof, freeze-proof, and corrosion-resistant.
- **Multiple Layers of Security** : Up to 8 levels of authorization and encrypted IDs.
- **Audit Trail** : Track who, when, and where the padlock was accessed

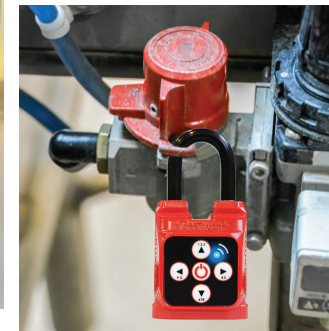

Ready to Go Fully Digital? Unlock Smarter Safety with eGeeTouch® Smart LOTO Manager

Enhance your lockout/tagout procedures with eGeeTouch's digital safety management software. Streamline your workflow, ensure compliance, and improve workplace safety with easy-to-use features:

- Create Work Orders
- Automated Notifications
- Real-Time Tracking
- Mobile app + PC web based system
- Data digitally stored digitally, eliminating the need for paperwork.
- Generate reports easily to ensure compliance and safety records are always up to date.
- Manage your lockout/tagout processes efficiently and securely from any device.
